OLE VIRGINIA TIMES

Renew your OVH membership now!

January 2012

Next Meeting: Monday, January 16, 2012

PRESIDENT'S LETTER:

Greetings to all! The Holiday season is now behind us so we can focus again on other activities.

I hope all of you are giving serious consideration to the OVH positions that will be or are open. This is your club, each of us as members has a responsibility to support the OVH. We do a great job supporting the events, however we have several volunteer positions which urgently need to be filled. Officer elections will be held during the February meeting, please consider taking a position. Be sure to renew your membership so you are eligible to vote!

In the past few months, OVH has expanded its operations by the addition of two repeaters, one a D-Star 2 meter repeater at Mt. Pone on 146.865 out, 146.265 in. This is a work in process because the duplexer is still being configured. We also added an FM repeater, 443.500 out, 448.500 in, CTCSS 110.9 Hz with the antenna on the City of Manassas water tower in downtown Manassas. This repeater is fully functional operating at low power setting at 35 watts. Once we have everything configured the repeater will have a link capability to our flagship 146.97 FM repeater similar to the OVH's other FM voice repeaters.

The OVH will again participate in Winter Field Day beginning on Saturday, January 28th, 1700 UTC to Sunday, January 29, 1700 UTC on the Manassas Museum grounds, the same as last year. The upcoming OVH general meeting on January 16th will cover details and coverages needed for this event and I hope all of you are able to come out to support your club with setup and operations. Joe / KI4OHR is again coordinating the event and will have more information at the meeting.

The Club has begun work on the OVH Hamfest, the Hamfest committee has met and flyers are being modified and preparation for distribution. Hope to see you all at the next OVH meeting January 16th at the Red Cross Chapter House on Liberia in Manassas.

All tel. numbers listed are for Area Code 703 unless otherwise noted, This is the official monthly publication of the Ole Virginia Hams Amateur Radio Club, Inc., a §501(c)(3) organization, dedicated to the promotion and enhancement of Amateur Radio. Copyright © 2011 by the Ole Virginia Hams.

The OVH ARC regular monthly meeting is at 7:30 p.m. every third Monday of the month at the Prince William County Red Cross Chapter House at 9930 Liberia Avenue, Manassas, Virginia. Members, prospective members and all other interested persons are invited to attend. Local information can also always be obtained through the OVH's FM repeaters on 146.97 & 224.660 Mhz. Up to date information about OVH activities and meetings is also available on the OVH web site at <http://w4ovh.net>.

Articles and quotations in the OVH Times newsletter may be reprinted if credit is given to the OVH ARC and any other noted source. Proposed materials for publication including pictures, articles, letters to the editor, classified ads, notes about specific errors, complaints or the like are solicited from all readers. Forward such items to the OVH Times Newsletter Editor: PAUL@W4ZB.COM as soon as available at any time, but the cutoff deadline for the OVH Times each month (usually the second Monday of the month) may preclude publication/correction until the following month.

Approx. Circulation - 170.

Last Rev: 11/14/2011

Sunshine Corner:

Birthdays during January - Justin / KJ4LAS, Dan / K9POO, Elizabeth / KG4NXV, Randy / WB7RAV, Charles / W4XP, Milt / N4SN, Woody / N4MQ, Alan / WA2GTT and Harold / K4OPS.

Some pictures from the OVH Christmas / Year End Holiday Party held on Sunday, December 11th are included later in this Newsletter. George / K4GVT also has more pictures online.

Thanks and congratulations to Mark / WA4KFZ for successfully completing the Technician Course in December and for the VEC team (John / KG4NXT, Al / KB4BHB, Steve / N4OGR, Mark / WA4KFZ and Ross / N4RP) who administered the Exam Session shortly after that course was finished. (See picture to the right.) All of Mark's Tech class students passed. Several more walk-ins than usual appears for the Exam for a total of 12 Examinees. All received either a new license or an upgrade. One fellow zipped through all three exams (Tech, General and Extra) and went from no license to an Extra Class license in one sitting.

The Sunshine Corner column is again very brief because the OVH is looking for a new volunteer to compile the information monthly

- ideally someone active in the club who is good at keeping his / her ear to the ground for information to report. I will continue to function as acting Sunshine Corner chairperson until someone volunteers. It's really not that much work, and I'll help with the transition.

The OVH club also has several other committee chair openings, now would be a great time to volunteer! The OVH is also looking for chairs for Publicity, Membership and JOTA. Also, the annual officer elections will be next month; it is time for you to let someone (everyone) know if you are interested in running for office: President, Vice President, Secretary or Treasurer. Be sure your OVH membership has been renewed so you can vote.

For now, please continue to send your news / comments to kg4tvm@hotmail.com or by telephone to 703-257-3566.

73 Theresa KG4TVM

Minutes of the Ole Virginia Hams Amateur Radio Club Meeting December 19, 2011:

George K4GVT called the meeting to order at 7:30 pm. Meeting was held at the Prince William County Red Cross Chapter House in Manassas, Virginia.

Following the Pledge of Allegiance, all present stated their names and call signs. There were 19 OVH members and 1 guest.

BUSINESS MEETING

Minutes from the November meeting were approved as read

Treasurer's Report by Gary WG4ARC, approved as presented

Continued on page 4

Membership – Theresa KG4TVM presented the application for Ron KK4DCZ for vote,

ARES – Steve N4OGR gave a recap of the club working with the Manassas Park parade, and George K4GVT gave us a recap of the Manassas Parade; Al KB4BHB asked about liability issues when directing traffic, discussion followed.

Repeaters – Keith / KM4AA has all the packet equipment out of the shed; the new 2 meter Dstar repeater is on site but the duplexer is not ready or working.

Training – Mark / WA4KFZ just finished a General class and the VE session is tomorrow, the Tech class starts January 10th and will last 4 weeks.

Hamfest – Joe / KI4OHR is working on a web page for hamfest; George K4GVT is working on the commercial vendors and the flyer

Field Days – Joe / KI4OHR is finalizing the location for Winter Field Day and thanked GaryWG4ARC for helping; Randy / WB7RAV –Field Day in June will be at the same location on Route 28 as in 2011.

Sunshine Corner – Theresa / KG4TVM announced the birthdays for the month; let us know that Mary Lu couldn't make the party because she had fallen; Alan / K5AKG is recovering from hip surgery and Lisa's mom is in the hospital; Theresa also thanked everyone who came to the Christmas party and for contributing to Toys For Tots

New Business – Art / W1CRO asked for a committee to take care of the finances and a nominating committee; a roster needs to be presented at the January meeting; George / K4GVT also advised he wants to make certain changes to the ByLaws. Gary / WG4ARC has ordered the club trailer with delivery in mid-January, Steve / N4OGR is designing the inside of the trailer.

Break

50/50 – Won by Wayne / N7QLK and he donated his winnings back to the club. Art / W1CRO donated a pig timer and it was won by George / K4GVT.

Meeting adjourned at 8:17 pm

Reminders about some upcoming events / calendar dates:

HAMFESTS:

Saturday, February 4, 2012, Virginia State Convention, also known as Frostfest 2012, to be held in Richmond, Virginia, more details at <http://frostfest.com>

Sunday, February 26, 2012, Winterfest - Vienna Wireless at NVCC in Annandale, Virginia, more information at <http://viennawireless.org/winterfest.php>

Saturday, March 31, 2012, Greater Baltimore Hamboree & Computerfest, Timonium Fairgrounds, Timonium, Maryland. More info at <http://gbhc.org>

Friday, May 18, 2012 - Sunday, May 20, 2012, Dayton Hamvention, Dayton, Ohio. More information at <http://hamvention.com>

Sunday, June 10, 2012 - Manassas Hamfest, Prince William County Fairgrounds, Manassas, Virginia. More information at <http://w4ovh.net> and <http://manassashamfest.org>

TRAINING SESSIONS / VEC EXAMINATION SESSION:

The General Class license training course being given by Mark / WA4KFZ at the Red Cross Center in Manassas, Virginia, is ongoing during January, 2012. A VE examination session will be scheduled shortly after the course finishes at the end of January.

Continued on page 5

SPECIAL OPERATING EVENTS AND CONTESTS

Saturday - Sunday, January 28 & 29, 2012, Winter Field Day on the Manassas Museum grounds.
Contact Joe / KI4OHR for more information.

There are many operating contests almost all of the time. The excellent web site maintained by WA7BNM lists most of them! See <http://www.hornucopia.com/contestcal/>

PUBLIC SERVICE / TRAINING / ARES EVENTS

Check the online Calendar by David / KG4GIY at <http://www.pwcares.org> for latest updates.
David maintains a comprehensive calendar for upcoming events at that web site.

Some Pictures from the OVH Christmas / Year End Holiday Party Sunday, December 11, 2011

Continued on next page

Special thanks to Theresa / KG4TVM for her considerable efforts in making the arrangements for this Party!

Good Bye to OVH Packet Operations!

The last surviving OVH Packet radio digipeater was decommissioned in December to make way for the new 2 meter D-Star equipment in the equipment shed at Mt. Pone. In the mid-1980's the packet radio mode on VHF seemed to come out of nowhere; it quickly became very popular because of its novelty and its effectiveness for direct keyboard to keyboard communications and several other intriguing variations. Highly useful systems such as DX Packet Cluster networks, packet radio based BBS's with (now primitive) email forwarding features using amateur radio packet networks and APRS nets evolved quickly. DX Packet Cluster systems allowed almost instantaneous circulation of DX spots to DXers on the cluster network; such radio based systems still exist and are supported, but have largely been supplanted by Internet based DX spotting networks. Packet radio based BBS's, on the other hand, have all but died out with the almost universal adoption of modern Internet based email. Other specialized packet based radio systems such as APRS still survive. Those who used packet in its heyday will have fond memories, but also recognize that it is now essentially an obsolete mode except for a few very specialized uses.
