December 2014

Next Meeting: Monday, December 15, 2014

PRESIDENT'S LETTER:

Greetings to all and I hope this message finds you all healthy and well.

The report from George / K4GVT is that at least 10 OVH member turned out on December 6th to support the communications needs of the City of Manassas during its 2014 Christmas Parade. More on that later in this Newsletter.

On Sunday, December 14th beginning at 5:30 pm, the OVH will hold its annual Year End / Christmas Party at the Yorkshire Restaurant. More on that too later in this Newsletter. This is the OVH's premier family social event (no radio operating during the event) and all are invited. Hope to see you there!

I was not able to attend the last regular meeting and missed what I hear was an excellent presentation by Keith / KB3TCB on the topic of Broadband Ham Nets (BBHN). From what I heard, his presentation could perhaps be broken into two parts, the first on BBHNs and the second part on how to connect various very useful devices and gadgets such as video telephones, sensors to a private BBHN network. I hope we can get Keith and Eva to come to the OVH Hamfest again this year to present one or more forums. They have plenty of very interesting stuff to talk about and their enthusiasm is infectious.

As the end of 2014 is fast approaching, I like many of you are wondering, where did 2014 go, how did it go by so quickly? Regardless of how you answer that, it is my duty to remind you that the end of the calendar year brings the time for each OVH member to renew his or her membership. The club appreciates your support! A renewal form appears later in this Newsletter.

I hope to see everyone on December 15th at our new meeting location, main conference room, Manassas Public Works, 8500 Public Works Drive, Manassas, Virginia at 7:30 pm.

Thank you to everyone [at least 10 OVH members] who came out to provide communications support to the City of Manassas during the 2014 Manassas Christmas parade on Saturday morning, December 6th. First, we had a great breakfast at Chick-Fil-A and then all went out to the cold, damp and drizzly weather of the Christmas Parade! But we had a great time, and provided a great service to the City of Manassas. Special thanks to George / K4GVT for organizing this for the club and for posting pictures from the event on his private web site at <http://k4gvt.com/Manassas%20Christmas%20Parade%202014> Some pictures from the event also appear later in this Newsletter.

This Newsletter will be in print a few days before the OVH's annual year end Holiday / Christmas Party event this month. Please bring a covered dish to share with the group, main courses and drinks will be provided. We will also collect new, unwrapped toys for the TOYS FOR TOTS Campaign. Hope to see you there and thanks in advance for your donation to Toys for Tots.

Thanks to Tim / KM4CCI for helping out with a radio demonstration during the Girl Scout Adventure Day event in late October. See picture to the right.

Thanks also to all OVH members who participated in providing communications support for the grueling Marine Corps Marathon in late October.

Best wishes to Steve N4OGR for a rapid and continuing recovery.

From our house to you and yours, a very Merry Christmas and happy Holidays and best wishes for a Happy New Year!
