CLUB REPEATER
146.37/.97
EDITOR, JIM FRY, WA4ZWN

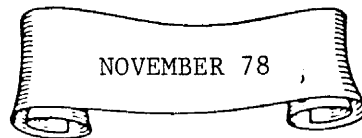

The Club meets on the SECOND MONDAY of each month at the Manassas Park Recreation Center, on Old Centerville Rd, Manassas Park, Va. Meetings start at 8:00 PM and visitors are always welcome.

The next meeting will be on Monday, November 13, 1978

CLUB OFFICERS:

President	Al Picard	K4IQH	Secretary	Jim Fry	WA4ZWN
Vice President	Sam Lebowich	WB4HAV	Treasurer	Ed Fleming	WD4AVU

The President Says:

BY AL PICARD K4IQH

Matt Wall, WD4AZJ, has for some time been involved in a project based upon Emergency Communications. This project was undertaken by Matt as the final step required before he could qualify for promotion to the rank of Eagle Scout. I am extremely disappointed to report that only a total of seven club members found time to check into Matt's simulated Emergency Test. Sorry Matt !

At our last officers meeting we met with Dick, N4RA, and discussed the 78 Hamfest. we are pleased to announce that just about all of the various committee chairmen have been selected for the 79 Hamfest. The announcement will be made at the next meeting and a complete list will be published in the next newsletter.

73's Al.

Sorry to announce that Lynn Bonner is going to move from the area to Frostburg, Md. We'll miss you Lynn but I'm sure we will all keep in touch on the air. In line with Lynn's move an Antenna Party will be held at his residence on November 14 to remove his antenna's, rigs, etc. If you can help call Herb Plummer, W4PJP for final arrangements. Lynn's new address will be 69 W. Main St. Frostburg, Md. 21532. Our Newsletter will be mailed to you every month Lynn so let us know how the DX is coming in up there.

CQ ~ WORLD WIDE CW CONTEST
DE ZF2CC
GRAND CAYMAN ISLAND

SOME PEOPLE HAVE ALL OF THE LUCK...

Dick Allardyce, N4RA will be operating from Grand Cayman Island as ZF2CC from 20 November to 27 Nov. He will be operating CQ World-Wide CW Contest on week-end of Nov.25-27. He hopes to work many OVH members so be sure to listen for him.

Sounds as if there is a real array of antennas at the location so Dick should be booming into our area.

GOOD LUCK DICK AND HAVE A SAFE TRIP.

Out of curiosity, How many of our members are registered instructors with the ARRL? If you are willing to help some future ham send in your name for the file. If anyone inquires the ARRL channels the person to you for help.

The family picnic was a great success and a good time was had by all. About 50 people enjoyed the festivities. Thanks to Butch and his committee for all the fun.....

NOTICE TO TRANSIENT HAMS.....Dick Miller moved from Manassas to Midland some time ago. Upon moving he took a Post Office box in Manassas where his mail was forwarded. At the same time he notified the Call Book publishers and his Midland address was put into the Summer Supplement. Everything is fine.OK NoNo....Some old QSL cards came through with his old address showing his Call and name. Fortunately Dick was notified by the people who lived in the house and he received the cards. Upon going to the post office about the matter he was advised to do the following:::If you move, not only should you put in a change of address card for your name but a second change of address card should be filed with your CALL.....If this is done they can forward your cards to you.

Dale Smith recently had a misfortune...When returning from a trip he discovered his house had been entered and many valuable items taken. Including his complete Ham Station described as follows: If anyone is approached notify Dale or the Police. Kenwood TS 520-S S/N 741447 complete with a MC50 Mike and SP-520 matching speaker. Shaft for turning dial is missing, and the service plate on left side for VOX controls, etc. is missing. LV-10 Koss Earphones, NYE Filter attached to Transciever. 2 Meter Rig, Kenwood TR-7100, painted bright red, mobile mount slide basket. This rig has a bad modulation problem.
